## BERGÉ

BERGÉ is the main reference as a **logistics services and solutions operator**, leader in the Spanish market, with strong presence in Mexico and Colombia.

We provide added value to the entire supply chain, from beginning to end, for all types of cargos and destinations.

  
**+1.900**  
Professionals

## Part of BERGÉ y Compañía

BERGÉ y Compañía has **150 years of history** and the same entrepreneurial spirit which defines the company from its origins.

BERGÉ y Compañía was born in 1870 as a stevedoring and shipping agency. Today we have a **worldwide projection**.

BERGÉ y Compañía is a **leader in two sectors**: the automotive industry, and the logistic services. Our team is made by more than 4,000 professionals and we are present in **10 countries**.

  
**150**  
Years

**Moved by  
our values**

- + Commitment and trust
- + Entrepreneurship
- + Our team
- + Proud of our experience

Since last century, the activity of Oil and Gas grew in West Africa and the Port of Las Palmas became a major hub for such activity.

BERGÉ specialized in attending all type of vessels related to this business, representing today a large amount of Ship Owners as well as Drilling Co. involved.
