PROFESSIONAL EXPERIENCE

- + **Quick responses and solutions**
Our ship agency operators have excellent relationships with terminals and local authorities, including port authorities, customs offices, and surveyors.
- + Information about **port restrictions, tariffs, estimates,** and any other useful info you may need.
- + BERGÉ offers storage for spare parts, large shipments, and depot, with **warehouses throughout the Iberian Peninsula.**
- + BERGÉ **offers the possibility of monitoring and tracking all operational matters** and communications from our central offices.

CERTIFICATES

Customer satisfaction is the best testament to our quality standards.

In BERGÉ, we have our own, recognized, certified and documented work method, the **BERGÉ Management System**.

Although, BERGÉ also has general and specific certifications issued by Lloyd's Register and SGS for each of its business areas.

As **shipping agent** the company has these authorizations:

All audits have been successfully passed, both for maintenance and renewal of certificates, in accordance with the requirements of Lloyd's Register and SGS.

- + ISO 9001:2015
- + ISO 14001:2015
- + FQS (FONASBA)
- + ISO 45001:2018
- + Ports of Spain Quality Benchmark
- + Ports of Spain Best Environmental Practice
